"THE KNABE"

Is now considered the leading instrument of the world and endorsed unqualifiedly by

And scores of other great musicians of the world.

C. D. PEASE & CO.

Are now manufacturing instruments noted for accuracy and clearness of tone, durability and perfect construction.

"THE HARDMAN"

Is acknowledged to be the equal in richness and power of tone to any piano in the market, and is fast cleaving its way to popularity. These three styles of piano will be furnished in grand square or upright in prices ranging from \$250 to \$1,500, according to finish.

"THE CHICAGO COTTAGE ORGAN"

In ten different styles, from \$100 up. All instruments warranted. Any of these instruments will be leased by the month or sold on the installment plan.

AFTER DINNER.

Persons who suffer from indigestion can arrest the progress of that painful malady by the use of an after-dinner pill, so composed that it will give tone to the stomach, prevent heartburn, roase the liver to healthful action, invigorate the kidneys, and thus, through the activity of these organs, promote the natural movement of the stomach and bowels. AYER'S PILLS are so compounded that their action, though mild, effectually produces the above results. They also, in curing Constipation, remove the cause of Bilethness, Liver Complaint, Kidney Disease, Rheumatism, and many other serious ailments.

AYER'S PILLS

contain no mineral nor poisonous substance, and do not gripe unless the bowels are irritated, and even then their influence is healing. To continue their effect in constipated or chronic cases, they need only be taken in diminishing instead of increasing doses. For seamen, and invalids or travelers in sparsely settled countries where physicians are not at hand, they are of inestimable value. They are hardly a sickness they will not alleviate, and in most cases cure, if taken promptly. To young girls just entering upon womanhood, and to women whose period of maternity is drawing to a close, Ayer's Pills, in moderate doses, merely sufficient to ensure regular action of the bowels, will be found of

Incalculable Value.
